

ARMOUR RESIDENTIAL REIT, Inc. Company Update

12/13/19

ARMOUR seeks to create shareholder value through thoughtful investment and risk management that produces current yield and superior risk adjusted returns over the long term.

Our focus on residential real estate finance supports home ownership for a broad and diverse spectrum of Americans by bringing private capital into the mortgage markets.

PLEASE READ: Important Regulatory and Yield Estimate Risk Disclosures

- Certain statements made in this presentation regarding ARMOUR Residential REIT, Inc. (“ARMOUR” or the “Company”), and any other statements regarding ARMOUR’s future expectations, beliefs, goals or prospects constitute forward-looking statements made within the meaning of Section 21E of the Securities Exchange Act of 1934. Any statements that are not statements of historical fact (including statements containing the words “believes,” “plans,” “anticipates,” “expects,” “estimates” and similar expressions) should also be considered forward-looking statements. Forward-looking statements include but are not limited to statements regarding the projections for ARMOUR’s business and plans for future growth and operational improvements. A number of important factors could cause actual results or events to differ materially from those indicated by such forward-looking statements. ARMOUR assumes no obligation to update the information in this communication, except as otherwise required by law. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof.
- This material is for information purposes only and does not constitute an offer to sell, a solicitation of an offer to buy, or a recommendation for any securities or financial instruments. The statements, information and estimates contained herein are based on information that the company believes to be reliable as of today’s date unless otherwise indicated, but cannot be represented that such statements, information or estimates are complete or accurate.
- Actual realized yields, durations and net durations described herein will depend on a number of factors that cannot be predicted with certainty. Estimated yields do not reflect any of the costs of operation of ARMOUR.
- **THE INFORMATION PRESENTED HEREIN IS UNAUDITED AND UNREVIEWED.**

ARMOUR invests in and manages a leveraged portfolio of mortgage-related assets and U.S. government securities.

1 Capitalization

- Total capitalization of \$1,372.8 million composed of:

CPR	4.2	3.9	3.7	4.1	5.5	7.7	8.8	8.4	14.5	17.0	18.6	18.5	14.3

*On 12/5/19 the most recent prepayment data was released.

Constant Prepayment Rate ("CPR") is the annualized equivalent of single monthly mortality ("SMM"). CPR attempts to predict the percentage of principal that will prepay over the next twelve months based on historical principal pay downs. CPR is reported on the 4th business day of the month for the previous month's prepayment activity.
